

Blue Ridge Pride Festival 2019

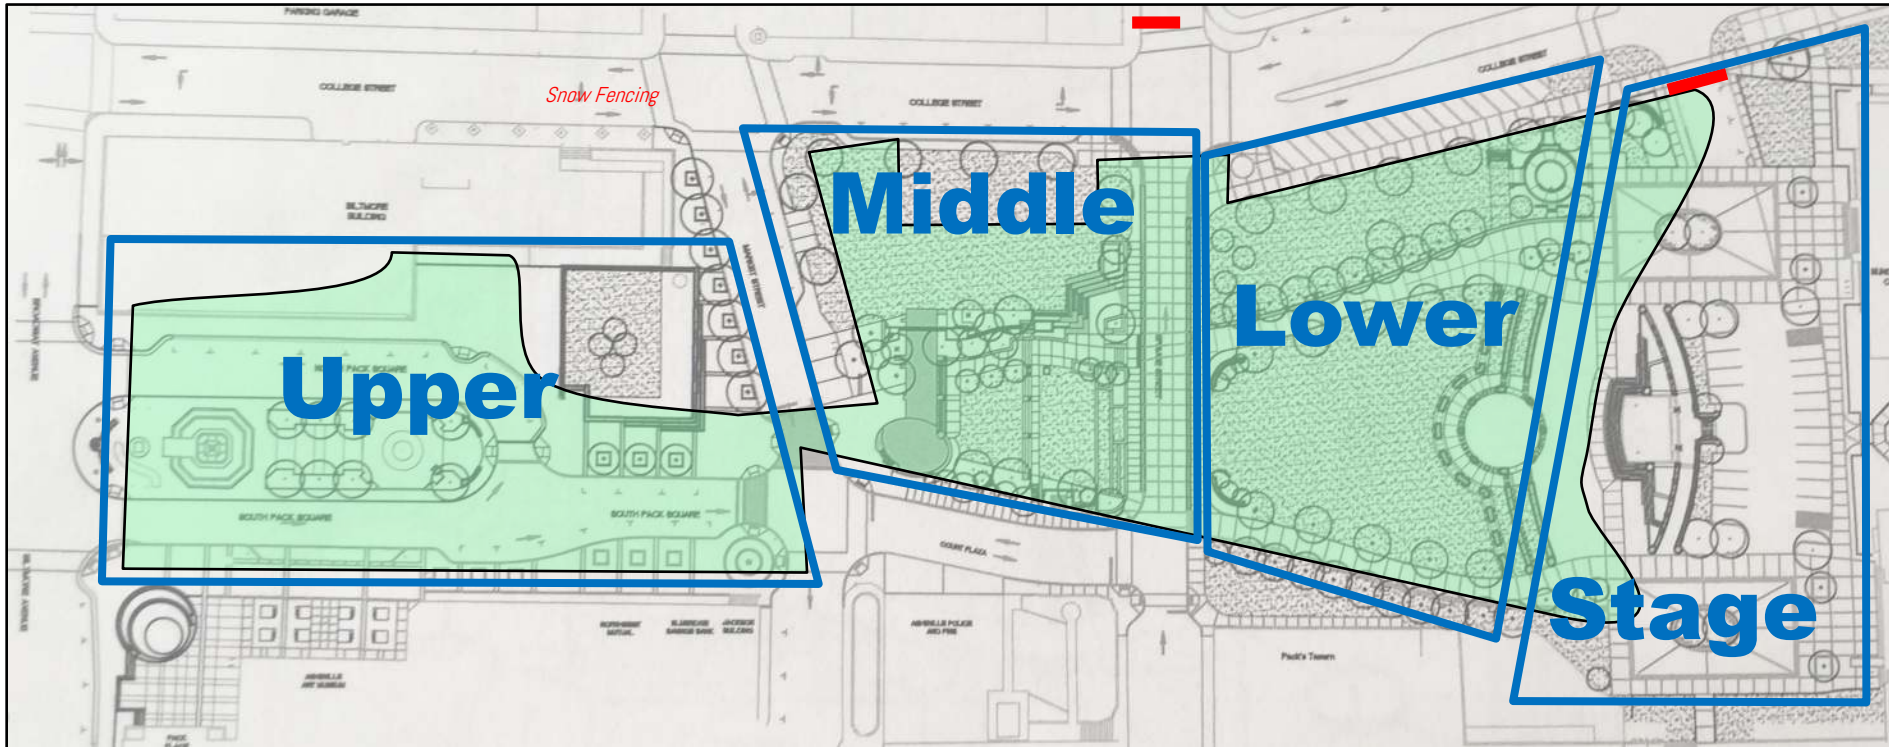

Becoming Our Greatest Selves – Together

September 28, 2019 | 11 am to 7 pm
Pack Square Park, Asheville NC

Festival Vendor and Exhibitor Map Sections

As of September 10, 2019

Version Updates: 9/6 vs 9/10: We added colors to indicate where various foods are being sold. We corrected one truck which appeared differently on two maps.

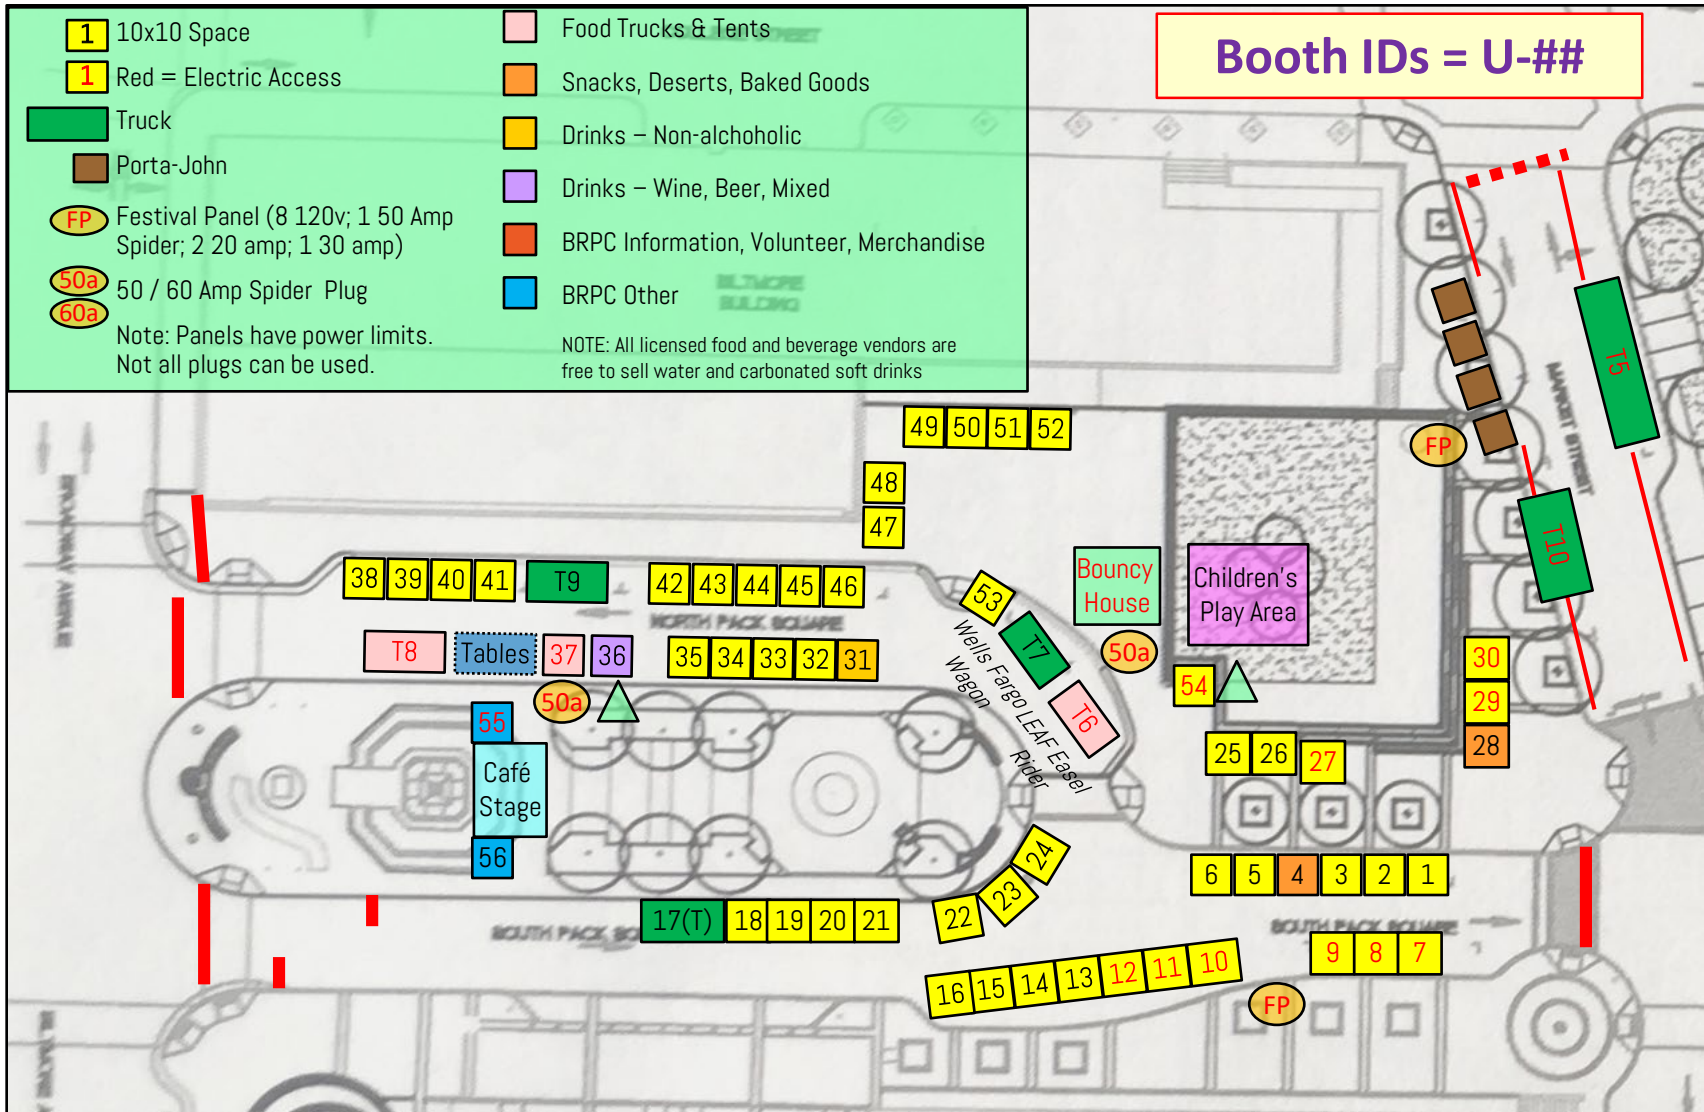

Blue Ridge Pride Festival 2019

Load-in Instructions and Map

- **Trucks:** If your vehicle is stationed where it will block a drop-off route (see below) check with our staff ahead of time.
- **Entry:** Follow red or purple routes depending on your exhibit location (see key below)
- **Registration.** At your drop-off, look for the official-looking person with the clip-board. They will check you in, confirm your order and assign volunteers to help you as needed.
- **Unloading.** You share a 30-minute unloading window with 30-40 others. Please be on-time and quick. [You are welcome to come before 8:00 am, but we may not have volunteers to assist you.]
- **Safety.** Remain with your vehicle at all times during unloading. Everyone will be passing through a fire lane used by the fire department. Don't block it! They won't take it kindly.
- **Parking.** We have identified two nearby parking lots on the map. Each is within 2-3 blocks.
- **Deadline.** All vehicles must be cleared from the festival grounds by 10:00 am. None will be allowed after that under any circumstances. The procession will enter the park at approximately 10:15.
- **Questions.** Look for a volunteer (shirt or badge identifies them) or visit the Festival Information booth. Email vendor@blueridgepride.org.
